

Pine Lake Country Club

Known throughout the state as one of Iowa's most beautiful 9 hole golf courses, Pine Lake Country Club has been a golfing destination for almost 100 years. PLCC is a challenging course cut into the hills of Pine Lake State Park. It has also been recognized by the National Golfing Foundation as one of the six best courses in Iowa.

The clubhouse carries a full line of equipment, a banquet room available for private rental, a full kitchen, grill and a bar area serving snacks and drinks. Many golfers finish their round relaxing with friends on the large outdoor patio, taking in the green views from the hilltop. Throughout the summer months, PLCC is busy with ladies & men's leagues, couples two-balls, cocktail parties, tournaments and private events. If you are interested in becoming a member at Pine Lake Country Club, their website plccgolf.net has all the details.
