

## South Hardin Recreation Area—Union

SHRA opened in July of 1968 with a 9 hole golf course, clubhouse and swimming pool. Several years ago the swimming pool was given to the City of Union. The Clubhouse is enjoyed year round. Wednesday evenings you may find some folks enjoying social activities that include a

few hands of cards, fundraising events, parties, receptions and meetings. In the winter of 2019 the clubhouse upstairs was completely remodeled, including the bathrooms and kitchen. SHRA offers single and family memberships. You can keep up to date on what is happening at the club via their Facebook page - South Hardin Recreation Area. Funds were provided in 1968 by the Union Whitten Savings Bank which was purchased

by the Hardin County Savings Bank. HCSB has always supported SHRA with donations for projects and manpower. **Love Where You Live—Together with SHRA!**
